At our locations in Idstein (near Frankfurt) and Ottobrunn (near Munich) we offer you exciting tasks

Service Technician (m/f/d) for the support of measuring instruments

Full-time – permanent contract – immediate start of work

What you can expect from us:

- Whether you are a seasoned service professional with knowledge of pneumatics or a fascinating service beginner with completed technical training, we will be happy to provide you with extensive training
- Challenging, varied tasks with your own creative freedom
- Own training budget
- Recognition and appreciation of your work
- Attractive social benefits, including company pension schemes, capital-forming benefits
- Pleasant working atmosphere and flexible working hours (flexitime model)

Your duties:

- You ensure that our measuring instruments function without any problems both at one of our locations and directly in the production line of our customers
- Our customers build their business on your training, consulting and service competence
- Through your work and representation of the company you ensure that our customers recommend our products to others
- After your assignment, you will create project-related internal and external documentation

That's why you:

- You love to solve technical problems in order to secure the recognition of your customers
- You are persistent when it comes to finding a mistake
- The quality of your work and the satisfaction of your customers are very important to you
- You like to travel and you enjoy refining your language skills
