Use of Google-Adwords

For purposes of promotion, our website also employs the Google ad tool "Google-Adwords". As part of this, our website employs the analysis service "Conversion-Tracking" from Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043 USA, hereinafter referred to as "Google". If you access our site by way of a Google ad, a cookie is placed on your computer. Cookies are small text files that your internet browser downloads and stores to your computer. These so-called "conversion cookies" cease to be active after 30 days and are not used to identify you personally. If you visit certain pages of our website while the cookie is still active, we and Google know that you, as user, have clicked on ads placed on Google and were redirected to our site. Google uses the information obtained through "conversion cookies" to compile statistics for our website. These statistics tell us the total number of users who have clicked on our ad as well as which pages of our site were then accessed by each user. However, neither we nor other advertisers who use "Google-Adwords" receive any kind of information that can be used to personally identify users. You can prevent the installation of "conversion cookies" by making the appropriate change to your browser settings, for example by setting your browser so that the automatic placement of cookies is deactivated or by blocking cookies from the domain "googleadservices.com".
