

Passion for innovation

As a company of the internationally operating TASI Group (www.tasigroup.com) with 1,500 employees worldwide and a turnover of € 450 million innomatec stands for innovation, machines and technology. We develop and manufacture individual and intelligent solutions in the field of function and leak testing for well-known customers, including automotive manufacturers, medical technology, household appliances and heating/sanitary industry. Your electric toothbrush, brake line, dishwasher or heating pump, for example, has been tested with our systems.

For our global locations in Europe, South America and Asia, we offer exceptional career prospects and outstanding career opportunities in a growing company.

Our development continues! Therefore we are looking for you to strengthen our team as

Commercial Manager (m/f/d)

Full-time – permanent contract – immediate start of work - in Idstein/Taunus, Germany

In this position you will report directly to the managing director and assume overall responsibility for all commercial tasks of the group of companies. You will be responsible for finance and accounting, human resources, IT, law and contract management.

Your duties:

- You prepare the monthly, quarterly and annual financial statements according to US-GAAP and HGB on schedule and ensure the necessary reporting to the parent company
- With enthusiasm and skill, you will dedicate yourself to financial and liquidity planning, optimize financial processes and controlling, and at the same time actively participate in day-to-day business
- In your area of responsibility you lead a team of 5 employees
- You are a future-oriented driver and a reliable sparring partner for our management and our customers. You have an eye on the continuous further development and optimization of the economic orientation and structures in your area of responsibility
- You are the first point of contact for our external contacts such as auditors, banks or authorities in all business management matters

That's why you:

- You have successfully completed a commercial degree or comparable qualification
- You have already gained several years of professional and management experience in a comparable area of responsibility
- Experience in project business as well as knowledge in the implementation of ERP systems is an advantage
- You have strong communication skills and can communicate fluently in German and English
- Personally, you distinguish yourself as an empathetic manager and team player and, in addition to a results-oriented, independent way of working, you also have a pronounced hands-on mentality

Has this challenging and responsible position aroused your interest ?

Then we look forward to your meaningful application!
